

FETAC award for Skillnet and Co Carlow Chamber

Co Carlow Chamber in association with Carlow-Kilkenny Skillnet has been awarded a Quality Assurance Agreement licence with FETAC. This means they're now registered to offer programmes leading to FETAC awards at level five and six to member companies.

This is the first time a chamber and a Skillnet provider have achieved this accolade, which is testament to the progressive and innovative approach to training and development practiced by the network. Requests from companies to work with the chamber and Skillnet are now welcome. For more information contact Ashling Ward, training manager at 059 9132152.

John McKay, FETAC Council member; Ashling Ward, project manager, Carlow-Kilkenny Skillnet; and Stan McHugh, chief executive, FETAC
